Field Comments.
(1) Source of paragraph I reported that the Generalfeldzeugmeister Kaserne quartered about 1,000 troops, primarily recruits, on 3 August 1951. See 25X1A given in paragraph 4 of the present report and appears creditle. The vehicle mentioned in the present report belong to components of the 6th 25X1X

The sources ofpparagraph 2 and 5 confirm previous information on the occupation of the Flak Kaserne. See . The vehicle mentioned in the present report are assigned primarily to the unidentified AT Arty Brig, possibly the 3d Ods, of the IXXIX Mtz Rifle Corps and to supplementary series of the Third Shock Army.

The information indicates no change with regard to the occupation of the Infanterie Kaserne since the last report by the same source. See

25X1A

The 63d Gds Tank Regt of the 10th Gds Tank Div, which is carried in the Pionier Kaserne, is believed to have been at Letzling Heath as of 2h August. 25X1A . The present report indicates the possibility that a training unit of the regiment may be located in the Pionier Kaserne now.
